

# Next Ex Boyfriend

## Jordan McCoy

We've been hanging out,  
And now seems to be,  
That there is something kinda going wrong,  
Between you and meSo now I've met your mom  
And your brother too  
There maybe your problem with your best friend  
(I think I like him) more than you  
Same old story getting boring oh no here we go  
Your about to be my next ex-boyfriend  
My next ex-boyfriendoh, it's you again  
calling on my phone

I know you wanna see me on the weekend but I'd rather be alone  
(now don't get me wrong)

i think you're really sweet (you're really sweet)  
you're a good guy (a real good guy)  
but somehow your just not the one for me  
i wish i knew why

it's the same old story getting boring oh no here we goyour about to be my next ex-boyfriend  
yeah.. my next ex-boyfriend  
how do i do it over the phone  
how to explain it  
i just don't belong  
i hate to say it

but you got to knowyour about to be my next ex-boyfriend  
yeah my next ex-boyfriend  
my next ex-boyfriend (yeah)  
my next ex-boyfriendhere i go now  
i gotta be strong  
breath in breath out

this shouldn't take longdon't take this personally  
it's not you it's me  
and now that we're through

(now that we're through please don't call me I'll call you)cause you've just become my next ex-boyfriend  
yeah my next ex-boyfriend  
my next ex-boyfriend (yeah)  
yeah my next ex-boyfriend  
my next ex-boyfriend (yeah)
