

Please Don't Tell Her I Have a Girlfriend

Reel Big Fish

Please don't tell her I have a girlfriend
Please don't tell her I have a girlfriend
'Cause it's so hard, can't even pretend
That I only want to be her friend Well I don't deserve it, you know that it's true
But she said that she would
And you know I would to
Oh oh, what am I gonna do? Please don't tell her I have a girlfriend
Please don't tell her I have a girlfriend
'Cause it's so hard, can't even pretend
That I only want to be her friend Well I know that actions speak louder than words
And thinking is bad, but doing's much worse
Oh oh, but I'm so perverse Please don't tell her I have a girlfriend
Please don't tell her I have a girlfriend
'Cause it's so hard, can't even pretend
I only want to be her friend Well I know I can keep a secret
I know I can keep a secret
Can you keep my secret? Oh, please don't tell her that I have a girlfriend
'Cause it's so hard, I can't even pretend Please don't tell her I have a girlfriend
Please don't tell her I have a girlfriend
'Cause it's so hard, can't even pretend
That I only want to be her friend
