Castles In The Air

Don Mclean

And if she asks you why, you can tell her that I told you
That I'm tired of castles in the air
I've got a dream I want the world to share
And castle walls just lead me to despairHills of forest green where the mountains touch the sky
Dream come true, I'll live there till I die
I'm asking you to say my last goodbye
The love we knew ain't worth another trySave me from all the trouble and the pain
I know I'm weak but I can't face that girl again
Tell her the reasons why I can't remain
Perhaps she'll understand if you tell it to her plainBut how can words express the feel of sunlight in the morning
In the hills, away from city strife?
I need a country woman for my wife
I'm city born but I love the country lifeFor I will not be part of her cocktail generation
Partners waltz, devoid of all romance
The music plays and everyone must dance
I'm bowing out, I need a second chanceSave me from all the trouble and the pain
I know I'm weak but I can't face that girl again
Tell her the reasons why I can't remain
Perhaps she'll understand if you tell it to her plainAnd if she asks you why, you can tell her that I told you
That I'm tired of castles in the air
I've got a dream I want the world to share
And castle walls just lead me to despair
