

Heart And Soul

Wolfstone

Its in the rhythm of a dancer
And every standard flag unfurled
Its in the brides eternal answer
And every child across the worldChorus...Heart and soul
Heart and soul
It's in the rhythm of a dancerIn all the words that's ever sung
Sweetly from the honest tongue
With music there to melt the snow
Rising from the fiddle bowChorus...In the milling of the factory steel
In the clicking of the spinning wheel
In all those working years
In a working mans' blood sweat and tearsChorus...It's always in the smile that greets you
When the morning sun it wakes you
In the beauty of her bright blue eyes
Light beauty of the northern skies
