

Born Free

[Andy Williams](#)

Born free, as free as the wind blows
As free as the grass grows
Born free to follow your heartLive free and beauty surrounds you
The world still astounds you
Each time you look at a starStay free where no walls divide you
You're free as the roaring tide
So there's no need to hideBorn free and life is worth living
But only worth living
'Cause you're born freeStay free, where no walls divide you
You're free as the roaring tide
So there's no need to hideBorn free and life is worth living
But only worth living
'Cause you're born free
