# Freaknik '96

## Chuck Inglish

They saw yo mama down at Freaknik
That's where all the freaks went
The Kawasakis and them Jeeps
The 1996 Olympic TeamShe stoppin' traffic shaking cheeks
Beep Beep, who got my keys?
She out in traffic shaking cheeks
Beep Beep, who got my keys?
Could you tootsee roll for me like it was 1993?
Panasonic VHS we 'bout to shoot a scene
I mean I see you, cut-off jeans, them tiny strings
You droppin cheek, came from the beach
Came down to see me
You and Sheena tag team me
69 Boyz, 95 south, we too live
Whoop, there it is like I'm Luke
Now raise the roof
Who is you? Oh that's yo boo
That So So Def, JD and Toomp
Two more girls in daisy dukes
And they won't come down from my roof
Look at my roof
But I like how you doing that though
I don't know, I don't care how you fit in that though
Is that a small, Is that a ball, Can you sit on that donk?
Like a car in the front, there some junk in the trunk
Chewing gum, Strawberry Bubble Yum
Chew me from the front, let the wall hold me up
On my brick cell phone, you can call hit me up
They saw yo mama down at Freaknik
That's where all the freaks went
The Kawasaki's and them Jeeps
The 1996 Olympic TeamShe stoppin' traffic shaking cheeks
Beep Beep, who got my keys?
She out in traffic shaking cheeks
Beep Beep, who got my keys?
Let's do that, Bankhead Bounce right through that
Shake it to the ground make it clap like a round of applause
Like ya going into war like a 911 Porsche
Like a thoroughbred horse

And I coming in first, let me put in reverse
Girl I'm putting in work(Work, Work, Work)
Show a little bit, I like softcore
Let me put my leg up on the top floor
Then leg drop from the top rope
I'm Ice cold but I'm hot though
Aw man, Aw man, Aw man, Goddamn
This for the ladies that ain't
Come here with their man (HALFTIME)
We bout to see a couple bands
All you gotta do is let me see you do yo dance
Like Work, Work, Work, Work, Work, Work, Work
x 3
They saw yo mama down at Freaknik
That's where all the freaks went
The Kawasakis and them Jeeps
The 1996 Olympic Team
