Patient Heart

Matt Wertz

You're the kind of girl who's smiling,
Hiding what's really going on
So afraid that if I found out,
Count to 5 and then I'd be goneBut that ain't how I do
Girl, my aim is true
When you lose your way
I will rescue you
I know monsters come
Imaginations run
But i'm standing by
For your affection
You and I are a restless mind and a patient heartThink you're fooling anybody
Pretending to be someone else?
That I can't see you in the dark
Playing with fire, trying to find yourself?I just wish you knew
That i've been there too
When I lost my way
I got carried through
I know monsters come
Imaginations run
Girl, i'm standing by
For your affection
You and I are a restless mind and a patient heart
When you fall this hard, yeah it's gonna hurt
But i'd go that far cuz our love is worth the scars
With a restless mind and a patient heart
