

112 Intro.

112

Yeah, that's what I'm talkin' about
Sounds real dramatic, like somethin's comin'
Got that real intro type vibe to it, yeah
Enough of this smooth
It's bad boy, baby We go by the name of Q, Mike, Slim, Daron
And this is Part III
You know, like the third album
Like the third time we been here Like Part III
And oh yeah, they represent the ATL
Come on Just a little 12 is all you need
Just a little 12 is all you need
Just a little 12 is all you need
Aw, baby, just a little 12 is all you need Let's do it
