

# Drank in My Cup (Instrumental)

## Kirko Bangz

I done came down hol' up I done came down, hol' up  
Grip the grain, roll up  
And your girlfriend want a nigga like me  
'Cause I ain't tryin' to control her  
She call me when she want a change  
Black diamond, my pinky ring  
And she know you weak and we ain't the same  
You hit the scene, I make the scene  
I'm in her head like Maybelline  
H-Town so I'm made for lean  
I'm in her soul, I make her scream  
I don't ride the toll, don't pay the change  
I'm EZ tag like Peter Pan  
She want a man, don't need a man  
I'm flying down your boulevard  
She cookin' dinner with your pans  
Draped up, dripped out  
Your bitch know what I'm taking 'bout  
Pulls up, pull out we get it poppin' in the parking lot  
She like to do it with the lights on  
Don't matter to me if it's dark or not  
I'm G'd up, East up  
Fossil pants, I'm hard as rock Girl I know how much you really want somebody  
Want somebody that don't really need you  
Girl I know how much you really want somebody  
Want somebody that ain't trying to keep  
You heard what I said, that could put you to bed  
That ain't tryin' to love you baby, just fuck you instead  
And don't tell 'em nothing baby, you know that I'm comin' baby  
Just hit up my phone whenever you need you some company  
Got this drank in my cup,  
oh yeah, I got this drank in my cup  
I got this drank in my cup, cup, cup I done came down, came up, slow pitch, change up  
Same hood, same style, same drink, same cup  
She call me when she wanna fuck  
I never call, she knows what's up  
Same page, same book, different song, same hook  
Every time her nigga trippin', she on the phone with the same crook  
And every time I pull up, she hit me with that same look

Lips bitin', hips right she left her man for that get right  
I'm in the middle, like midnight  
Only if you got that sit tight  
Only if you got that wine fine  
Only if you got that sip type  
Only if you got that mine bomb  
Only if you got that zip tight  
Eat that shit like wanton  
Jokin' baby, I'm pimp tight  
I'm used to bein' that one and done  
But girl you got that g-get right  
Girl I know how much you really want somebody  
Want somebody that don't really need you  
Girl I know how much you really want somebody  
Want somebody that ain't trying to keep  
You heard what I said, that could put you to bed  
That ain't tryin' to love you baby, just fuck you instead  
And don't tell 'em nothing baby, you know that I'm comin' baby  
Just hit up my phone whenever you need you some company  
Got this drank in my cup, H-town, oh yeah  
I got this drank in my cup  
I got this drank in my cup, cup, cup  
I done came down hol' up hol' up i say hol' up  
Hol' up I done came down hol' up hol' up hol' up fuck, yeah
