Federal Death Alliance

I Declare War

Pharmaceutical companies allowing deadly chemical on our store shelves
Aspartame rotting holes in my brainOnce people begin to die away
Is this a method of population control or is this dehumanization?
Our dehumanization
Our dehumanizationFluoride in our water supply
Creating an even greater problem when you are dumbed down without even knowing itWhat the fuck are we to do we take a stand?
I'd lay down my life to ensure the lives of future generations
The lives of future generations
Federal death alliance
Federal death alliance
Babies born with birth defectsForce feed us poison
Force feed us fucking poison
We consume fucking poison
We consume fucking poison
We are told that they're safe and okay by our own fucking F.D.A.
We are told that they're safe and okay by our own fucking F.D.A.
We are told that they're safe and okay by our own F.D.A.
When will we know the facts?
We are told that they're safe and okay by our own F.D.A.
When will we know the facts?How can you think with a hole in your brain?
As you all begin to die away
Force fed poison
