

# Happiness

Alexis Jordan

I gotta turn this car around  
I never should have left you there  
Boy this traffic is making me sick  
Boy I can't wait to have you near I gotta hurry, hurry, hurry  
Now quick, quick, quick  
Just step on the gas 'cause I don't wanna miss this  
This opportunity will only come once in my life, my life I gotta hurry, hurry, hurry  
Now quick, quick, quick  
Just step on the gas 'cause I don't wanna miss this  
See what you're bringin' me boy is priceless  
I gotta be out of my mind not to try this Through strength I found love  
In time I found myself in happiness with you  
Through strength I found love  
In time I found myself in happiness with you Boy, I need to say what's in my heart  
I was scared but I'll do my part  
I came back to tell you face to face  
So what we have won't go to waste I gotta hurry, hurry, hurry  
Now quick, quick, quick  
Just step on the gas 'cause I don't wanna miss this  
This opportunity will only come once in my life, my life yeah Sorry, sorry, sorry, I'm coming down to fix this  
You should know how I feel, I know I got you twisted  
See what you're bringin' me boy is priceless  
I gotta be out of my mind not to try this Through strength I found love  
In time I found myself in happiness with you  
Through strength I found love  
In time I found myself in happiness with you The things that you can give to me  
I can feel it when you're holding me close  
You're like one of the world wonders  
I know I'm going under Come see that I'm ready for this  
And you're so good for me  
You're my true joy  
You make me wanna say Through strength I found love  
In time I found myself in happiness with you  
Through strength I found love  
In time I found myself in happiness with you
