

# We Can't Stop (feat. Bea Miller)

## Boyce Avenue

Red cups and sweaty bodies everywhere  
Hands in the air like we don't care  
'Cause we came to have so much fun now  
Bet somebody here might be the one now If you're not ready to go home  
Can I get a "Hell, no!"?  
'Cause we're gonna go all night  
'Til we see the sunlight, alright So la da di da di  
We like to party  
Dancing you and me  
Doing whatever we want  
This is our house  
This is our rules And we can't stop  
And we won't stop  
Can't you see it's we who own the night?  
Can't you see it's we who 'bout that life? And we can't stop  
And we won't stop  
We run things, things don't run we  
Don't take nothing from nobody  
Yeah, yeah To my home girls just tryna live it up  
Shaking it like they can't get enough  
Remember only God can judge ya  
Forget the haters 'cause somebody loves ya  
Memories made 'till the night's through  
Surrounded by the ones who love you  
We all so turned up here  
Getting turned up, yeah, yeah So la da di da di  
We like to party  
Dancing you and me  
Doing whatever we want  
This is our house  
This is our rules And we can't stop  
And we won't stop  
Can't you see it's we who own the night?  
Can't you see it's we who 'bout that life? And we can't stop  
And we won't stop  
We run things, things don't run we  
Don't take nothing from nobody  
Yeah, yeah It's our party we can do what we want to  
It's our house we can love who we want to

It's our song we can sing if we want to  
It's my mouth I can say what I want And we can't stop  
And we won't stop  
Can't you see it's we who own the night?  
Can't you see it's we who 'bout that life? And we can't stop  
And we won't stop  
We run things, things don't run we  
Don't take nothing from nobody It's our party we can do what we want to  
It's our house we can love who we want to Can't you see it's we who own the night?  
Can't you see it's we who 'bout that life? It's our song we can sing if we want to  
It's my mouth I can say what I want to  
We run things, things don't run we Cause we can't stop.
