

# HopScotch

Annie Whitehead & Alistair Anderson

I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!

If the sun decides to rise,  
without it's colors in your eyes,  
it matters not.  
A heart of mine,

prefers the darkness.

A Hopscotch, teardrop, ready to drop.

A Hopscotch, teardrop, ready to drop.

I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!  
I got a Hopscotch, teardrop, ready to drop!
