This the jam, yep

Put your hands up

And just wave

And just wave

Ay, oh yes

Yae, oh yes

Say, oh yes

Wait a minute this the this-the-this

I'm Mr. Postman

Also Mr. Toastman

Oh, man wait

Oh, man wait

I'm Mr. Postman

Also Mr. Toastman

Oh, man, I'm back

Oh, man, I'm back

I'm back, oh yes

I'm crack, wait Mr, Mr

Sorry about the wait

Sorry I made ya wait

I can't let my peeps down

I can't let my seed down

They need me out there, yeah

I can't let the streets down

I gotta do it B I

G now, I see now

I couldn't wait

Nope, I couldn't wait

Plus the ladies love the kid

Plus the babies love the kid

Could it be I'm from the eighties

They know what I'm up against

Call me a grinder

Call me a survivor

Why should I wait

How could I wait, no

Plus I'm a sex symbol

That'll make your bitch bed tremble

Floor shake, bar rock, hard cock

Hit it left once, right twice, work the middle

Stroke her wait

Then I smoke a weight

Ay, oh yes

Yae, oh yes

Say, oh yes Wait a minute this the this-the-this

> This the jam, yep Put your hands up

And just wave

And just wave

Ay, oh yes

Yae, oh yes

Say, oh yes

Wait a minute this the this-the-this

Oh yes

Wait Mr, Mr

Wait

Wait

Oh yes

Oh yes

Oh yes

Wait a minute this the this-the-this
