

# Young Nigga

## Gucci Mane feat. Waka Flocka

Y'all ready to do this shit? Bust  
When I was young, I had the lust to pull the trigger  
And make change out a five dollar ass, nigga  
And as time went on, I gained much love  
But seein' niggas', guts bust at a nightclub  
Too young to get my ass in but they didn't trip  
'Cause if I didn't get in, they knew I'd start shit  
So I was treated like the muthafuckin' Pope  
Security see me, so they scope  
And follow me around like a flock of hoes  
I had a squab with a bitch with a big ass nose  
I started to knock the bitch out but before I could  
I'm stopped short by a redneck peckerwood  
But he was slow, with the other hand slapped the hoe  
Then security rushed us out the backdo'  
So when I grabbed the nine, they thought I'd go nuts  
I'd roll by and bust caps at the grownup's  
Young nigga, got bold and got the liquor  
As a young, yeah  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
Well, what do you know, it's summer time  
And every young nigga my age, is on the grind  
Workin' for the city  
A drugstore on every goddamn corner and niggas actin' shitty  
About who sell, where and whose dope is it  
So, some niggas around the block, they paid us a visit  
But we ain't comin' off shit but a drive by  
I guess they wanna expand to go city wide  
So we hung muthafuckas by the barbed wire  
Whoever was a snitch or bitch or liar  
And five O is gettin' kinda dense  
'Cause the wire was missin' from a county jail fence  
Breakin' off boulders  
And the niggas from around the block, they said they told us  
Not to short stop, so my nigga got popped  
I looked down and I'm shocked  
To see him layin' dead by the bushes  
As a young nigga  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
Shit is gettin' hectic, my mission had to flow smooth
