

# I'm On My Way

[Ricky Martin](#)

Two hearts beating as one  
That's all think about  
Until my journey's done  
Ten miles, ten miles away That's all that's left you go  
Until I see your face  
Oh, my love, I'm waitin' for you Hey, I'm on my way  
I guess, you gotta feel the pain  
Won't be late to teach your soul to pray  
It's okay, your tears are like the rain  
Let's get crazy, come what may  
Come on, I wanna love you  
Baby, gimme sexo Lover, the moment has come  
I'll give it all to you until I come undone  
Lover, I live for your touch  
So many nights alone  
I've missed your kiss so much Oh, my heart was hers to be  
Oh, my love, I'm livin' for you Hey, I'm on my way  
I guess, you gotta feel the pain  
Won't be late to teach your soul to pray  
It's okay, your tears are like the rain  
Let's get crazy, come what may  
Come on, I wanna love you  
Baby, gimme sexo
