

# Jack Miraculous

## Gino Vannelli

My, my, my what a marvelous life  
Wear your patent leather shoes  
You gotta win and never lose  
Oh then why, oh why, oh Jack I cry  
Save your life and flee today Why, why, why such a glorious guy  
Easy friends are easy foe  
Who you never know  
Oh then my oh, my oh Jack you'll die  
Save your life and run away What are my chances of living  
If I were to stay close to you  
Jack all this crime and no giving  
I couldn't do for you What are my chances of living  
If I were to stay close to you  
Jack all this crime and no giving  
I couldn't see for me
