

# Dune Buggy

## The Fathoms

A little blind spider took the wheel  
Navigatin' grass blades completely by feel  
Got a sassy chassis, sparklin in the sun  
All four small bald fat tires  
Rockin through the sand and burnin' up

Little dune buggy in the sand  
Little blue dune buggy in my hand

I got a rubber-band motor hummin' on a beach, ready for fun  
Quit spinnin' and webbin', come out play in the sun  
Eight thimble-sized cylinders, be as smooth as you please  
Spider's bad-ass fat old abdomen stuck in the buggy seat

Squishy transmission was caught in drive  
Spider man was squinting at the sand in the sky  
Spider woman in the front seat, screamin' 'Go, Go, Go,'  
He's ridin' the accelerator down to the floor with his fuzzy little toe

Little blue dune buggy
