

# Good Clean Fun

## Kaiser Chiefs

I never seen nobody ever live like you  
We never leave the house without a drink or two  
We're never going to work, we play all night and day  
I never thought a life could ever be that way Though the lights fade  
It never went out  
The life that we made  
Will never wear out  
Though the lights fade  
It never went out  
The life that we made  
Will never wear out  
Why you so sad?  
Sex makes everything better, better  
Why you so mad?  
Sex makes everything better You never seen the summers that you didn't like  
I never been in paradise, who wasn't right  
I wanted every arm the times I see right through  
You made me drop a line the times I missed my cue Though the lights fade  
It never went out  
The life that we made  
Will never wear out  
Though the lights fade  
It never went out  
The life that we made  
Will never wear out  
Why you so sad?  
Sex makes everything better, better  
Why you so mad?  
Sex makes everything better  
Why you so sad?  
Sex makes everything better, better  
Why you so mad?  
Sex makes everything better We got separate, join the aftermath  
I'm following the path of destruction back  
We have to leave because the people are asking us  
Sit down because we're scaring the passengers  
I've been exploring every avenue  
I want shoes that given above to you  
We need help, we're the dumb and the callers

Oh 800 good clean fun  
Little bit of good clean fun  
Living like a loaded gun  
All we need is good clean fun, fun, yeah Why you so sad?  
Sex makes everything better, better  
Why you so mad?  
Sex makes everything better  
Why you so sad?  
Sex makes everything better, better  
Why you so mad?  
Sex makes everything better
