

Miracles of Christmas

Smokey River Boys

Verse Number One Isn't it mysterious to see God in His wondrous way?

Moving through our lives among the ordinary day.....

He who rules the universe.... has time enough to hear us pray

He who lights the stars at night..... will guide us on our way
The Chorus See all the miracles....(see all the miracles)

See all the miracles....(see all the miracles)

He will show us how.....we can serve him now....

Each..... in our own special way
Instrumental Turn-a-round
Verse Number Two Isn't it mysterious, a child born
in a manger's hay?

Spoke the words so long ago we listen for today

Love thy neighbor as thyself, be pure in heart, and always pray

This will bring us peace on earth, not just on Christmas day
The Chorus See all the miracles....(see all the miracles)

See all the miracles....(see all the miracles)

He will show us how.....we can serve him now...

Each in our own special way
TAG: Each...in our own special way....

Amen....
