

Promiscuous (feat. Timbaland)

Nelly Furtado & Timbaland

Am I throwing you off?
Nope
Didn't think soHow you doin' young lady?
That feelin' that you givin' really drives me crazy
You don't have to play about the joke
I was at a loss of words first time that we spokeYou lookin' for a girl that'll treat you right
You lookin' for her in the daytime with the lightYou might be the type if I play my cards right
I'll find out by the end of the nightNelly: You expect me to just let you hit it
Will you still respect me if you get it?
All I can do is try, give me one chance.
What's the problem? I don't see no ring on your hand.
I be the first to admit it
I'm curious about you, you seem so innocentYou wanna get in my world, get lost in it
Boy I'm tired of running, let's walk for a minutePromiscuous girl
Wherever you are
I'm all alone
And it's you that I want.Promiscuous boy
You already know
That I'm all yours
What you waiting for?Promiscuous girl
You're teasing me
You know what I want
And I got what you need
Promiscuous boy
Let's get to the point
Cause we're on a roll
Are you ready?Roses are red
Some diamonds are blue
Chivalry is dead
But you're still kind of cuteHey, I can't keep my mind off you
Where you at, do you mind if I come through?'m out of this world, come with me to my planet
Get you on my level do you think that you can handle it?They call me Thomas
Last name Crown
Recognize game
I'm a lay mine's downI'm a big girl
I can handle myself
But if I get lonely I'mma need your help
Pay attention to me I don't talk for my healthI want you on my team
So does everybody elseShh, baby we can keep it on the low

Let your guard down ain't nobody gotta know
 If you with it girl, I know a place we can go What kind of girl do you take me for? Promiscuous girl
 Wherever you are
 I'm all alone
 And it's you that I want Promiscuous boy
 You already know
 That I'm all yours
 What you waiting for? Promiscuous girl
 You're teasing me
 You know what I want
 And I got what you need Promiscuous boy
 Let's get to the point
 Cause we're on a roll
 Are you ready? Don't get mad, Don't get mean
 Don't get mad, don't be mean Hey! Don't be mad, don't get mean
 Don't get mad, don't be mean Wait... I don't mean no harm I can see you with my t-shirt on
 I can see you with nothing on
 Feeling on me before you bring that on
 Bring that on?
 You know what I mean
 Girl, I'm a freak, you shouldn't say those things
 I'm only trying to get inside your brain
 To see if you can work me the way you say
 It's okay, it's alright
 I got something that you gon' like
 Hey is that the truth or are you talking trash?
 Is your game M.V.P. like Steve Nash?
 Promiscuous girl
 Wherever you are
 I'm all alone
 And it's you that I want
 Promiscuous boy
 I'm calling your name
 But you're driving me crazy
 The way you're making me wait
 Promiscuous girl
 You're teasing me
 You know what I want
 And I got what you need
 Promiscuous boy
 We're one in the same
 So we don't gotta play games no more
