

# Never Surrender (Saxon Over Sweden 2011)

## Saxon

I was born on the back streets  
On the rotten side of town  
I never had me nothin'  
Just people puttin' me downLiving on the dark side  
Across the railroad track  
Leaving wasn't easy  
But I'm never going backNever surrender  
When you're up against the world  
Never surrender  
Stand up fight them allNever surrender  
When you're up against the world  
Never surrender  
Stand up fight them allI'm sticking in the fast lane  
I never wanna quit  
I'm taking all my chances  
I'm gonna take 'em quickI started at the bottom  
But I'm headed to the top  
Ain't nobody gonna hold me back  
'Cause I'm never gonna stopNever surrender  
When you're up against the world  
Never surrender  
Stand up fight them allNever surrender  
When you're up against the world  
Never surrender  
Stand up fight them allI was born on the back streets  
On the rotten side of town  
I never had me nothin'  
Just people puttin' me downI'm living on the darkside  
Across the railroad track  
Leaving wasn't easy  
But I'm never going backNever surrender  
When you're up against the world  
Never surrender  
Stand up fight them all
