

Henry's Back

Les Thugs

Henry, Henry's back again
In my sleep, my dreams every night
I want to drive him, away from here
Even if he comes back
I know, I'm wrong to feel bad
I'd better dismiss him from my mind
I wouldn't think about him, everyday
But one day he'll really come
Henry, Henry's back again
Im my mind, more and more everyday
I know the day's coming, Henry's day
I don't want to lose you.
