

Used to Love You

Gwen Stefani

[Gwen]

Yeah, boy

Thought this would happen

I let it sink in, you're gone

I don't know, know what I'm feeling

I must be dreaming, you're gone Suitcase, band-aids

Pulling back out the driveway

You go, I'll stay

You can keep all the memories

I thought I was the best thing that ever happened to you

I thought you loved me the most I don't know why I cry

But I think it's cause I remembered for the first time

Since I hated you

That I used to love you

I don't know why I cry

But I think it's cause I remembered for the first time

Since I hated you

That I used to love you Oh, oh, oh, oh

I used to love you

Oh, oh, oh, oh

I used to love you Are you gone?

There were no boundaries

What, you just pushed me too far

I guess nobody taught you

Nobody taught you how to love Suitcase, band-aids

Pulling back out the driveway

You go, I'll stay

You can keep all the memories

I thought I was the best thing that ever happened to you

I thought you loved me the most I don't know why I cry

But I think it's cause I remembered for the first time

Since I hated you

That I used to love you

I don't know why I cry

But I think it's cause I remembered for the first time

Since I hated you

That I used to love you Oh, oh, oh, oh

I used to love you

Oh, oh, oh, oh

I used to love you You know I was the best thing that ever happened to you

I thought you loved me more, oh

You know I was the best thing that ever happened to you

Now look at what you lost, oh I don't know why I cry

But I think it's cause I remembered for the first time

Since I hated you

That I used to love you

I don't know why I cry

But I think it's cause I remembered for the first time

Since I hated you

That I used to love you Oh, oh, oh, oh

I used to love you

Oh, oh, oh, oh

I used to love you I don't know why I cry

I don't, I don't, I don't

I don't know why I used to love you

I don't, I don't, I don't

I don't know why I cry

I don't, I don't, I don't

I don't know why I used to love you

I don't, I don't, I don't
