

Your My Angel

Unwritten Law

looking into your eyes
i see all i want to be
and i don't want it to end
if i could only put to words the way
i see you
i only know i had an angel with me now and when i fall asleep
you're all that i see
you're in my thoughts
and all of my prayers
i wish i could be
all that you mean to me my angel without wings
my angel i wish you could see
all that you mean to me
but i can never find the words
to tell you and when i fall asleep
you're all that i see
you're in my thoughts
and all of my prayers
i wish i could be
all that you mean to me and when i fall asleep
you're all that i see
you're in my thoughts
and all of my prayers
i wish i could be
all that you mean to me
my angel without wings
