

# My Christmas Tree

## The Supremes

There's a Christmas tree  
In a window frame  
Just inside my door  
But my Christmas tree  
Doesn't look the same  
As it always has before  
There's just one lonely present  
Beneath my Christmas tree  
'Cause the best little present  
A girl ever had  
Has gone away from me  
Oh, my Christmas tree is not very big  
In fact it's kind of small  
Honey went, he picked 'em out  
They always seem so tall  
The lights don't seem so bright this year  
It's hard for me to see  
The smile that made my Christmas bright  
Is gone away from me  
I have been so lonely  
Since you left me all alone  
All I want for Christmas is  
My baby back at home  
Oh, my Christmas tree's so sad and bare  
My room's so big and cold  
They wish me happy new year  
But the new year is already on  
There's no little angel  
On top where it used to be  
'Cause the angel  
That made my Christmas right  
Has gone away from me...  
'Cause the angel  
That made my Christmas right  
Has gone away from me...  
'Cause the angel  
That made my Christmas right  
Has gone away from me...
