Do you run away now
You're gonna let me down, let me down
Why do you runaway now?
Do you run away now
You're gonna let me downAnything to make you mine
Write your name across the sky
Love's about to change my heart
I'll be crazy from the start
I can't wait too long for you
I'll be crazy from the startJam, jam, I want to jam, jam
Jam, jam, I want to jam
Jam, jam, I want to jam, jam
Jam, jam, don't runaway from meCircuits activated
Circuits activatedI've been waiting for so long
Now I see that I was wrong
Love's about to change my heart
This heartache you put me through
Is gonna make us stay apart
I want to see my dreams come trueJam, jam, I want to jam, jam
Jam, jam, I want to jam
Jam, jam, I want to jam, jam
Jam, jam, don't runaway from meWhy, why, why do you runaway now [away now, away now]
Why, why, why do you runaway now [away now, away now]Circuits activated

Why? (why? why?)
