

Everlasting Love

[Jamie Cullum](#)

Hearts gone astray deep in her, when they go
I went away just when you needed me so
You won't regret, I'll come back begging you
Won't you forget? Welcome love, we once knew
Open up your eyes then you'll realize
Here I stand with my everlasting love
Need you by my side, girl, to be my pride
Never be denied, everlasting love
Hearts gone astray deep in her, when they go
I went away just when you needed me so
You won't regret, I'll come back begging you
Won't you forget? Welcome love we once knew
Open up your eyes then you'll realize
Here I stand with my everlasting love
Need you by my side, girl, to be my pride
Never be denied, everlasting love
From very start open up your heart
Feel that you're falling, everlasting love
Need a love to last forever
Need a love to last forever
Need a love to last forever
Need a love to last forever
I need a love to last forever
