Everlasting Love

Jamie Cullum

Hearts gone astray deep in her, when they go
I went away just when you needed me so
You won't regret, I'll come back begging you

Won't you forget? Welcome love, we once knewOpen up your eyes then you'll realize

Here I stand with my everlasting love

Need you by my side, girl, to be my pride

Never be denied, everlasting loveHearts gone astray deep in her, when they go

I went away just when you needed me so

You won't regret, I'll come back begging you

Won't you forget? Welcome love we once knewOpen up your eyes then you'll realize

Here I stand with my everlasting love

Need you by my side, girl, to be my pride

Never be denied, everlasting loveFrom very start open up your heart

Feel that you're falling, everlasting loveNeed a love to last forever

Need a love to last forever

Need a love to last forever

Need a love to last forever

I need a love to last forever
