

So Happy I Could Die (MTN Amazinglyjon Remix)

Lady Gaga

Eh-eh, eh-eh ye-ha, ye-ha
Eh-eh, eh-eh aha-aha
Eh-eh, eh-eh ye-ha, ye-ha
Eh-eh, eh-eh aha-aha I love that lavender blond
The way she moves the way she walks
I touch myself can't get enough
And in the silence of the night
Through all the tears and all the lies
I touch myself and it's alright Just give in don't give up baby
Open up your heart and your mind to me Just know when that glass is empty
That the world is gonna bend Happy in the club with a bottle of red wine
Stars in our eyes 'cause we're having a good time eh-eh eh-eh So happy I could die be your best friend
Yeah I'll love you forever
Up in the clouds we'll be higher than ever eh-eh, eh-eh So happy I could die and it's alright
Eh-eh, eh-eh ye-ha, ye-ha
Eh-eh, eh-eh aha-aha
Eh-eh, eh-eh ye-ha, ye-ha
Eh-eh, eh-eh aha-aha I am as vain as I allow I do my hair
I gloss my eyes I touch myself all through the night
And when something falls out of place
I take my time I put it back
I touch myself 'til I'm on track Just give in don't give up baby
Open up your heart and your mind to me Just know when that glass is empty
That the world is gonna bend Happy in the club with a bottle of red wine
Stars in our eyes 'cause we're having a good time So happy I could die be your best friend
Yeah I'll love you forever
Up in the clouds we'll be higher than ever eh-eh, eh-eh So happy I could die and it's alright
So happy I could die and it's alright
So happy I could die and it's alright Eh-eh, eh-eh ye-ha, ye-ha
Eh-eh, eh-eh aha-aha
Eh-eh, eh-eh ye-ha, ye-ha
Eh-eh, eh-eh aha-aha Happy in the club with a bottle of red wine
Stars in our eyes 'cause we're having a good time So happy I could die be your best friend
Yeah I'll love you forever
Up in the clouds we'll be higher than ever eh-eh, eh-eh So happy I could die and it's alright Happy in the club
with a bottle of red wine
Stars in our eyes 'cause we're having a good time So happy I could die be your best friend
Yeah I'll love you forever

Up in the clouds we'll be higher than ever eh-eh, eh-ehSo happy I could die and it's alright
