

Slow Love

Michael Alvarado

See me i'm nervous
What did it take to deserve this
Beautiful love perfect
Baby, without you i'm worthless
But you gotta know it takes service
Love is real without purchase
And I do nothing to hurt this
I knew it was love from the first kiss

Yeah

Take it easy
It don't take a lot to please me
I'm forever yours

So sit back relax and take it slow
We ain't got to far to go
Before we make it
My heart is yours for the takin'
So sit back relax enjoy the show
We ain't got to far to go
Before we make it
My heart is your for the takin'
but please don't break it

Ba Bada Ba Bada Ba Bada Dada Da Da Da
Ba Bada Ba Bada Ba Bada Da Daa

Baby I want you
I want my body to haunt you
I want my lips to be on you
Cause nobody does it like I do
I am searchin for the real you
Hands are achin to feel you
And I just wanna be near you
Cause nobody does it like you do

Yeah

Take it easy
It don't take a lot to please me
I'm forever yours

So sit back relax and take it slow

We ain't got to far to go
Before we make it
My heart is yours for the takin'
So sit back relax enjoy the show
We ain't got to far to go
Before we make it
My heart is your for the takin'

So sit back relax and take it slow
We ain't got to far to go
Before we make it
My heart is yours for the takin'
So sit back relax enjoy the show
We ain't got to far to go
Before we make it
My heart is your for the takin'
But please don't break it

Ba Bada Ba Bada Ba Bada Dada Da Da Da
Ba Bada Ba Bada Ba Bada Dada Da Da Da
Ba Bada Ba Bada Ba Bada Dada Da Da Da
Ba Bada Ba Bada Ba Bada Da Daa
