

# My Heart Skips A Beat

## The Secret Sisters

Oh my heart skips a beat when we walk down the street I feel a trembling in my knees  
And just to know you're mine until the end of time makes my heart skip a beat Well I did a double take the day I  
met you

My heart turned a flip as I stood next to you  
And I knew right there I never could forget you  
For you are my every dream come true  
And my heart skips a beat You came into my life without a warning  
And you turned my cloudy skies from grey to blue  
You're my sunshine that comes up every morning  
Yes you are my every dream come true  
And my heart skips a beat
