Drive Myself Crazy

Fatty Koo

I never imagined, someone could make me feel
Like I'm fallin' so deep, I wanna believe it's real
Have you lost ya mind, has ya conscience gone away?
Just take your take your time
'Cause puppy love will end someday, yeah, yeah
Well, sometimes you meet someone that makes you feel so completeI drive myself crazy over you
I'm drownin' my sorrows 'cause of you
I drive myself crazy over you
I'm fallen in love, I'm fallen in loveSee lately, I feel like I don't know what to believe
Nothing that you say, can take away this void inside of me
Listen to me sister, I know the games they play
It might sound like love, but he might not want the same
Girl, you gotta do, what you feel is right for you
If it's love don't let it pass you byI drive myself crazy over you
I'm drownin' my sorrows 'cause of you
I drive myself crazy over you
I'm fallen in loveI drive myself crazy over you
I'm drownin' my sorrows 'cause of you
I drive myself crazy over you
I'm fallen in loveI'm goin' crazy for you, baby
I'm goin' crazy, baby
I'm goin' crazy for you, baby
I'm goin' crazy, baby
I'm goin' crazy
