Halo Of Flies (Album Version)

Alice Cooper

I've got the answers
To all of your questions
If you've got the money
To pay me in gold
I will be living
In old Monte Carlo
And you will be reading
The secrets of soul
Daggers and contacts
And bright shiny limos
I've got a watch
That turns into a lifeboat
Glimmering nightgowns
And poisonous cobras
Silencer under the heel of my shoe
The elegance of China
They sent her to lie here on her back
But as she deeply moves me
She'd rather shoot me in my tracks
And while a Middle Asian lady
She really came as no surprise
But I still did destroy her
And I will smash
Halo of flies
I crossed the ocean
Where no one could see
And I put a time-bomb
In your submarine
Goodbye to old friends
The secret's in hand
With full ream of papers
And fantastic plans
You never will understand
