In A Rush

Quiet Riot

It came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I can't tell you why
Why I feel what I feel inside
How I try
To express what's been troublin' my mind
But still I can't find the words
But I know that something's got a hold of me
It came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I can't tell you why
Why I feel what I feel inside
Baby, some day I'll find a way to say
Just what you mean to me
But if that day never comes along
And you don't hear this song, I guess you'll never know that
It came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I can't tell you why

Why I feel what I'm feelin', feel what I feel inside
And when I say inside
I mean deep
You fill my soul and there's something I can't explain
It's over me, 'cause
It came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I can't tell you why
Why I feel what I feel inside
It came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I can't tell you why
Why I feel what I feel inside
It came over me in a rush
When I realized that I love you so much
That sometimes I cry, but I can't tell you why
Why I feel what I feel inside
