

# Living In the Ghetto

## Toots & The Maytals

Some of the rich men get their riches from the ghetto

As far as I can see

All the poor ones, that live in the ghetto

They put all their trust in vanity

And that's why, the rich ones shall be richer

And the poor ones shall be poorerThat's how it goes, that's where it's atYou must first seek ye the kingdom of Zion

Then all things will be hurried unto you

You will never want, hungering or thirsting

You will feed off this cup of lifeAnd then you will weep no more

Know that it's God and God and God aloneThat set us free from our misery

Really set us freeYou seek with your soul brother

You seek with your soul sister

I say, you wrong with my God

It's not my God, wrong with youYou seek with your soul brother

You seek with your love sister

I say, you wrong with my God

It's not my God, wrong with youYou must first seek ye the kingdom of Zion

Then all things, will be added unto you

You will never want, hungering or thirsting

You will feed off this cup of lifeAnd then you will know yourself

And know that it's love and purity, that set us free

That set us free from all this miseryHey! I'm from the ghetto

People living in the ghetto

Let me sing it to you

Can you hear what I say?That's how it goes

As far as I can see
