

# The Charm

## Unearth

The weight of the charm.  
Light out for hands stretched to lead.  
The forsaken walk of allegiance.  
In trust we deceive.  
Walk on-never to turn back.  
A look inside turned to stone.  
My soul is free with blood on my hands.  
My soul is free.  
Lights out.  
I stand aside.  
Struggle in mind.  
I look inside to see the crowd infringed upon.  
Lights out.  
The death of the charm.  
Lights out-the hands will recede.  
The forgotten chance of disloyalty.  
In trust we are deceived.  
Send off-it's out of your hands.  
Walk on-it's only your life.
