

No Love in Texas

Terri Hendrix

I can't get no love in Texas
It's just hot air and cactus
All work and taxes
Red lights and traffic You know, I can't get no love
Wanted to be your sexy
And still be naive
Wanted to be everything and more
Each time you looked at me I gotta tell you, I can't get no love
I wanted to be your only
Just a little bit of company
Now it's a white knuckled flight
Thinkin' 'bout your fantasies I got a copy of fear of flying
Tucked between my knees I can't get no love in Texas
It's just hot air and cactus
All work and taxes
Red lights and traffic I gotta tell you, I can't get no love
Got these vampires at my window
Scratchin' on the screen
They wanna take me on a head trip
And leave behind a crime scene You know, that's a freaky kind of love
Sometimes my soul gets junky
And I feel real funky
Like a bird in a cage or a dog on a chain
And like there's a barrel of monkeys
Swingin' through my brain I can't get no love in Texas
It's just hot air and cactus
All work and taxes
Red lights and traffic You know, I can't get no love
I gotta tell you, I can't get no love
You know, I can't get no love, ooh
