Lonely Girl

Freckleface Strawberry

Lonely girl
Leaving in a lonely world
Looking for a friend who might be lonely
Just like me.
Lonely girl
I'm just a lonely girl
But if i had a friend
I just might be a little less lonely
But when i'm dancing, I feel free
And i'm just exactly where i'm s'oppose to be
When i'm flying, I feel fine
And i'm in a happy place inside my mind
Back in the world i'm just a lonely girl
Looking for a friend who might be lonely
Just like me
But when i'm dancing(when i'm dancing)
I feel free(I feel free)
And i'm just exactly where I want to be
When i'm flying(when i'm flying)
I feel fine(I feel fine)
And i'm in a happy place inside my mind
Back in the world(Ahhhhh)
I'm just a lonely girl
Looking for a friend who might be lonely
Just like me
And if I could find a friend
I wouldn't have to be so lonely
Wouldn't have to be a lonely girl
The one and only lonely girl
Wouldn't have to be the one and lonely
Lonely girl
