

# Close To the Flame (Hollola Tapes)

**HIM**

The kiss sweetest  
And touch so warm  
The smile kindest  
In this world so cold and strong So close to the flame  
Burning brightly  
It won't fade away  
And leave us lonely The arms safest  
And words all good  
The faith deepest  
In this world so cold and cruel So close to the flame  
Burning brightly  
It won't fade away  
And leave us lonely
