

# I Know You Rider

**David Cullen**

I know you, rider, gonna miss me when I'm gone  
I know you, rider, gonna miss me when I'm gone  
Gonna miss your baby, from rolling in your armsLaid down last night, Lord, I could not take my rest  
Laid down last night, Lord, I could not take my rest  
My mind was wandering like the wild geese in the westThe sun will shine in my back door someday  
The sun will shine in my back door someday  
March winds will blow all my troubles awayI wish I was a headlight, on a north bound train  
I wish I was a headlight, on a north bound train  
I'd shine my light through cool Colorado rainI know you, rider, gonna miss me when I'm gone  
I know you, rider, gonna miss me when I'm gone  
Gonna miss your baby, from rolling in your armsI know you, rider, gonna miss me when I'm gone, gone, gone  
I know you, rider, gonna miss me when I'm gone, gone, gone  
Gonna miss your baby, from rolling in your arms
