

It's On

Kid Ink

(Intro)

When I'm on, it's on bitch

When I'm on, it's on bitch

When I'm on, it's on bitch

When I'm on, it's on

(Verse 1)

First off, ya'll ain't on this shit that I'm on

Eyes like I was made in Taiwan

Aces you could say what you want

Just blow me, I'm a ticking time bomb, boom

Might pull up in the car show

Niggas ain't gotta gas me like Arco

Riding through the city with a hood full of Broncos

Out just looking for the money like Waldo

I just wanna ball, Rondo

Make it rain in this bitch, get a poncho

Roll up blunt thicker than a high loaf

Take one hit, might turn into a combo

Got one eye open like a raider

Better cuff your chick, I take her

Say I gotta turn like skater shoes

And lay the pipe like 80 do

(Chorus)

Ya'll ain't on this shit that I'm on

Ya-Ya'll ain't on this shit that I'm on

Ya'll ain't on this shit that I'm on

Ya-Ya'll ain't on this shit that I'm on

(Verse 2)

Ok, money in my mind, put it in my hair

Eyes look like I was made in Japan

Fresh, ya'll niggas was made in a can

So fly, you can see when I land

Movie in the making, Hi my name is

2 in the air, call it double dating

Jahlil on the beat, I'm a troublemaker

Going through paper, staplers

One foot in tatted like a sailor

Trying to find a bad bitch, Naughty by Nature

Sorry baby, these ain't out yet
Gotta go back to the future for my outfit
Bitch I'm gone, see me from a distance
High off life, f-ck a intervention
Ahh, burn slow like incenses
Head up, chest out like imprints

(Chorus)

Ya'll ain't on this shit that I'm on
Ya-Ya'll ain't on this shit that I'm on
Ya'll ain't on this shit that I'm on
Ya-Ya'll ain't on this shit that I'm on

(Outro)

When I'm on, it's on bitch
When I'm on, it's on bitch
When I'm on, it's on bitch
When I'm on, it's on
