I Didn't Mean To Love You

Rick Springfield

Hey, look what you?ve done
Ain?t cha ever going to help me
'Cause now your love?s the only one
I tried so hard to break it
Now that I?m loving you
1200 miles is a long long way
And my loves gonna grow
Every inch of the way
But I didn?t mean to love you
I only meant to see, how far you?d go
And I didn?t mean to love you
I tried to leave ya and my heart said no, oh no
Hey, what can I say
You know I didn?t mean to fall for you

Show me, show me, show me
What can I do
I don?t even know
If you?re love is true
But I know this, no matter how much I want to try
I?ll never stop loving you, I need you
Though you?re just 17
And my loves gonna grow every night every day
But I didn?t mean to love you
I only meant to see, how far you?d go
And I didn?t mean to love you
I tried to leave ya and my heart said no, oh no
