One Less Addiction (Acoustic Version)

Embodyment

I fight this with two closed fists
Under a purple sky
Naked trees are clawing for the air
This won't pull on emotionsBut it's something to do
Go ahead, try it
If you dislike, refunds at the door
I always fell for the sucker punchI confess the changes
Maybe I'm growing up
From the shoes on my feet
To the stench in my mouthI'll remain transparent
And while you speak in codes
I'll speak in spirit
I tasted, I did that, now I'm hooked
