

# Bugs & Flowers

## Kadebostany

Bugs and flowers sample the corpses  
their feelers stroke them for ages  
what a nice pleasure  
what a wonderful leisure  
the wind as a cherished friend  
announces his delightful end  
can't you hear them laughing there is no reason to be afraid  
you will feel great in this glade  
spirits are dancing  
their tears are melting  
our mystical experience is waiting for you Bugs and flowers sample the corpses  
their feelers stroke them for ages  
what a nice pleasure  
what a wonderful leisure  
the wind as a cherished friend  
announces his delightful end  
can't you hear them laughing  
here spirits are blessing the wind as a cherished friend  
announces his delightful end  
can't you hear them laughing  
here spirits are blessing Bugs and flowers sample the corpses  
their feelers stroke them for ages  
what a nice pleasure  
what a wonderful leisure  
the wind as a cherished friend  
announces his delightful end  
can't you hear them laughing Bugs and flowers sample the corpses  
their feelers stroke them for ages  
what a nice pleasure  
what a wonderful leisure  
the wind as a cherished friend  
announces his delightful end  
can't you hear them laughing
