

# One

## Glee Cast

Is it getting better  
Or do you feel the same?  
Will it make it easier on you now?  
You've got someone to blame You say, one love, one life  
When it's one need in the night  
One love, we get to share it  
Leaves you, baby, if you don't care for it Did I disappoint you  
Or leave a bad taste in your mouth?  
You act like you never had love  
And you want me to go without Well, it's too late tonight  
To drag the past out into the light  
We're one, but we're not the same  
We get to carry each other, carry each other  
One, one Have you come here for forgiveness?  
Have you come to raise the dead?  
Have you come here to play Jesus  
To the lepers in your head? Oh well, did I ask too much? More than a lot?  
You gave me nothing, now it's all I got  
We're one, but we're not the same  
We get to hurt each other, now we do it again  
You say Love is a temple, love is a higher law  
Love is a temple, love is the higher law  
You ask for me to enter, but then you make me crawl  
And I can't keep holding on  
When what you got, when all you got is hurt One love  
(One love)  
One blood  
(One blood)  
One life, you got to do what you should One night  
(One night)  
With each other  
(Each other) Sisters  
(Sisters)  
And my brothers One life, but we're not the same  
We get to carry each other  
Carry each other  
One, one, one, one
