My Gun

Tove Lo

Heads turn, your body burned
Rip off your clothes for me
Make out, lash out
Keep dancing naked, feeling free

That's my gun
That's my gun
That's my gun
Mmmm (mmm-mmm)
Mmmm (mmm-mmm)

Last night, you were
Who you prefer, because of me
Wake up, messed up
But you're still happy as can be

That's my gun
That's my gun
That's my gun
Mmmm (mmm-mmm)
Mmmm (mmm-mmm)

Do you think I'm easy?
Oooh-oooh
Boy, if you're gonna shoot me down
Do it gently
I'm not easy
Oooh-oooh
But go ahead and touch me now
Do it gently

You're fine, you're mine
I'm the mistake you wanna make
Hey-ho, let's go
It's one more chance you gotta take

That's my gun
That's my gun
That's my gun
Mmmm (mmm-mmm)

Mmmm (mmm-mmm)

I'm ace in space
And, oh, I know you want to fly
My June, your moon
Jump on my cloud and we go high

That's my gun
That's my gun
That's my gun
Mmmm (mmm-mmm)
Mmmm (mmm-mmm)

Do you think I'm easy?
Oooh-oooh
Boy, if you're gonna shoot me down
Do it gently
I'm not easy
Oooh-oooh
But go ahead and touch me now
Do it gently

Do it gently-y-y
Gently-y-y
Gently-y-y-y-y-y-y
Gently-y-y
Gently-y-y
Gently-y-y-y-y-y-y

That's my gun...

Do you think I'm easy?
Oooh-oooh
Boy, if you're gonna shoot me down
Do it gently
I'm not easy
Oooh-oooh
But go ahead and touch me now
Do it gently

Do it gently-y-y
Gently-y-y
Gently-y-y-y-y-y-y
Do it gently-y-y
Do it gently (for me)
Gently-y-y-y-y-y-y
