

Trust Me (Feat. Urban Mystic)

Brooke Hogan

Love is a funny thing (oh yes it is)
It can live through what people say
The only thing I ask (what you ask?)
Is that you have some respect (I got it babe) And please don't take
My love away Yea
Oh
Oh
Yea You can trust me (trust me)
I can trust you
Baby I trust you
Baby we could fly away
Oh whoa
Nothing matters cause nothings better
Baby I will always stay I cant believe that we're back to here
Must of been about a whole year
Suffering losing all my sleep
Cause I didn't have you here I replayed it a hundred times
What went wrong hardly went right
I know I prayed almost everyday
Lord give me back my life yea I used to be scared of losing you
Would you be scared to lose me too?
No we never need to worry
Finally the truth will set us free
Now you know I never want to leave
You can be you and I can be me
You can trust me
I can trust you
Baby I trust you
Baby we could fly away
Oh whoa
Nothing matters cause nothings better
Baby I will always stay I cant believe that I'm not alone
To have you back likes having a home
Cause I remember what you said to me
I ride for you you ride for me
We can be whatever you like
Best friends your by my side
Whatever you want is fine
All I want is you in my life I used to be scared of losing you

Would you be scared to lose me too?
No we never need to worry
Finally the truth will set us free
Now you know I never want to leave
You can be you and I can be me
You can trust me (trust me)
I can trust you (trust you)
Baby I trust you
Baby we could fly away
Oh whoa
Nothing matters cause nothings better
Oh baby
Baby I will always stay Trust me
I can trust you (you can trust me)
Baby we could fly away Trust me
Trust you
Baby we could fly away I used to be scared of losing you
Would you be scared to lose me too?
No we never need to worry
Finally the truth will set us free
Now you know I never want to leave
You can be you and I can be me
