

# Feed Me to the Lions

## Adam and the Ants

Too emotional am I?  
Too emotional am I?With a spirit soaring  
Ten miles high  
I sing loud words  
That make me cryToo emotional are we?  
Too emotional are we?Defying all security  
I mean to keep this fire in me  
Because you're feeding me to the lions  
You're feeding me to the lions  
Feeding me to the lionsToo emotional are you?  
Too emotional are you?With just one heart  
To see you through  
A world where facts  
Are so untrue
