Cry, Cry

Cheap Trick

My my my
My my eyes
I can?t believe, I?m cryin?
Yeah cryin'
You you
Yeah you
You broke my heart, it?s true
Yeah, true
It seems to me
You should have told me
I just can?t go on this way
My my my
My my eyes
I can?t believe, I?m cryin?
Yeah cryin'
You you
Yeah you
You broke my heart it?s true
Yeah, true
You say me, you say
You never realized how much you loved me
So don?t ya call me on the phone
Oh babe, no baby
Just to say you?re all alone
And cry cry cry cry cry
It seems to me
You should have told me
I just can?t go on this way
Don?t ya call me on the phone
Oh babe, no no baby
Just to say you?re all alone
And cry cry cry cry
And cry cry cry cry
Cry cry cry
Cry cry baby don't
Don't cry
Don't cry
